Defendant Martin Isias is scheduled to be sentenced on January 29, 2008. The government filed a written response to defendant's Sentencing Memorandum which raises many disputed points. It is the defendant's intention, through undersigned counsel, to attempt to meet with the government prior to sentencing to see if certain issues may be resolved by the parties, prior to presentation to the Court. Mr. Isias requests that his judgment and sentencing be continued to February 26, 2008, and that date is available with the Court. The government is not opposed to this request.
